Kiwa International Cert GmbH certifies that the company

mateco GmbH

Bottroper Straße 16
70376 Stuttgart

is qualified to perform the instruction/training course for:

Operators of mobile elevating work platforms

according to the German national policy of the Deutsche Gesetzliche Unfallversicherung -
DGUV (Accident Prevention & Insurance Association)

DGUV Grundsatz 308-008

**“Operator (driver) training and delegating for mobile elevating work platforms”
including the german national information and policies for safety and health at work**

DGUV Information 208-019 and DGUV Regel 100-500 Kapitel 2.10

as proof of their qualification the company is authorized to issue the

“PlatformCard – Operation of Mobile Elevating Work Platforms”
to those operators who successfully attended the training.

Prerequisite for this certificate is that the assignment of the company's qualified trainers is based
upon the above mentioned standards and that the qualification of the trainers can be attested
by a successful examination certificate. This will be monitored by Kiwa International Cert GmbH
