TRENCH COMPACTOR LP 9505 | 850mm | Kubota | Articulated
Com
Art nr: 967 95 08-01

The highly productive Husqvarna LP 9505 articulated trench compactor delivers a smooth, compacted surface, which doesn't dig up soil when turning. Due to the high operating weight and ultimate traction, it is suitable for all kinds of soils (dry or wet) but especially suited for cohesive materials like clay and silt. The fuel-efficient engine provides class-leading power for a whole day of uninterrupted work and the radio remote control offers great flexibility, better ergonomics and safer working conditions. Servicing is quick and easy with all service points clearly marked and easily accessed under the hoods.

FLEXIBILITY

Radio remote control technology allows the...

EXCELLENT TRACTION

High and wide drum pads increase traction on...

EASY TO OPERATE

Remote control has a large informative display...
